

ADDENDUM TO BID PACKAGE #14

LAX – BRADLEY WEST GATES

ADDENDUM NUMBER 01

FEBRUARY 24, 2010

Addendum Issue Date: February 24, 2010

Purpose: The purpose of this Addendum is to make changes, additions, deletions, and revisions to the bidding documents dated November 20, 2009 for the above referenced project. Bidders shall review the Addendum work and requirements in detail and incorporate any effects the Addendum may have in their bid price.

Acknowledgement: Bidders must acknowledge receipt of any and all Addenda in the space provided on the Bid Form. Failure to do so may result in rejection of the Bid.

Note: All requirements of the bidding documents remain unchanged except as cited herein.

Part 1 - Amendments to Bid Documents

- Modification to Instructions to Bidders, Section 2.1:
 - Time and date for receipt of bids has been changed to Thursday, April 1, 2010 at 3:00PM.
- Modification to Instructions to Bidders, Section 7.2:

- Concourse Design Package 4, Bulletin 3 Dated 2/8/10 posted to Biddox.
 - This is a Conveyance bulletin issued for your reference.

Part 3 - Questions from Potential Bidders

Question: Section 1-15.1 of the Instructions to Bidders states that "MWBE bidders must be certified by the City of Los Angeles, Caltrans, or Los Angeles County Metropolitan Transportation authority. No other certifying agencies will apply..." We have been recently informs that a City of Los Angeles representative is telling people who are attempting to apply for certification that they do not need to register for MBE certification if they hold a certification from the Southern California Minority Business Development Council, Inc. The City of Los Angeles Representative states that Southern California Minority Business Development Council, Inc. certification is acceptable for all city projects, including projects at LAX. Will you please confirm that MBE certification from the Southern California Minority Business Development Council, Inc. will be acceptable in achieving project goals?

Answer: Yes. Refer to our website: www.walshaustinjv.com. In the M/WBE Program, you will find the "Walsh Austin Joint Venture M/WBE Inclusion Program." Pages 2 and 3 of this program includes the certifications resources.

Question: The Instructions to Bidders states that a Bid Bond is required to accompany all bids. There is no Bid Bond form included in the documents. Will a Bid Bond form be issued?

Answer: No. Subcontractor can use their own Bid Bond form.

Question: Are the 500 GPM fire pumps used as a secondary supply for the standpipe system?

Answer: Per the documents, the pumps (only one at a time) are cross-connected and therefore would potentially deliver water to the standpipe system.

End of Addendum 01
